"In my free will, I acknowledge that I am fully aware that Astrid Lee is not a medical doctor nor medical practitioner. I affirm that not in any way has she represented herself as possessing any medical expertise or medical training whatsoever, and she has not prescribed, diagnosed or treated or recommend any particular treatment or medication or substance for me in respect of my injury, ailment or disease that I may possess.

I have not been cajoled, coerced, threatened or persuaded by Astrid Lee to undergo or partake in any particular treatment or medication or substance. Thus, I freely acknowledge that any unorthodox or unusual treatment or medication or substance that I may utilize is done with my full awareness and acknowledgement that it is of my own free will.

I, the undersigned, for myself, the person I am applying for, my heirs, their heirs, successors, executors, administrators and assignees, hereby release and forever discharge Astrid Lee, her heirs, successors, executors, administrators and assignees, from any and all actions, causes of action, claims and demands for or by reason of any damage, loss or injury, to person and property which heretofore has been or hereafter maybe sustained in consequence of attending a workshop, or taking any medication, substance or treatment which I may use or consume in any respect of and for any attempts by myself or anyone on my behalf to cause temporary or permanent relief from the symptoms of any injury, ailment or disease with which I have been or will be diagnosed."
